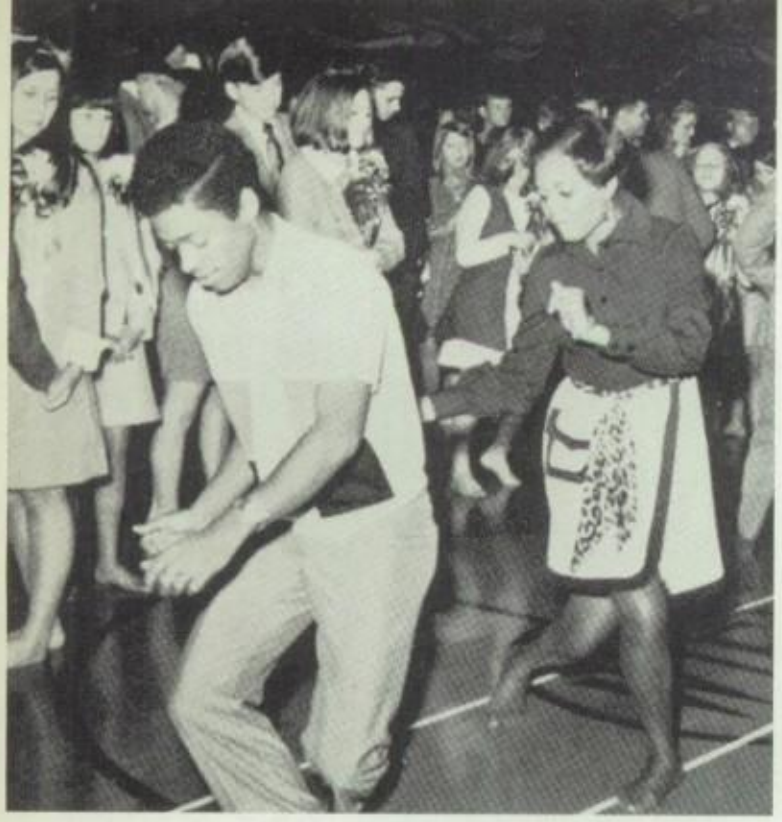
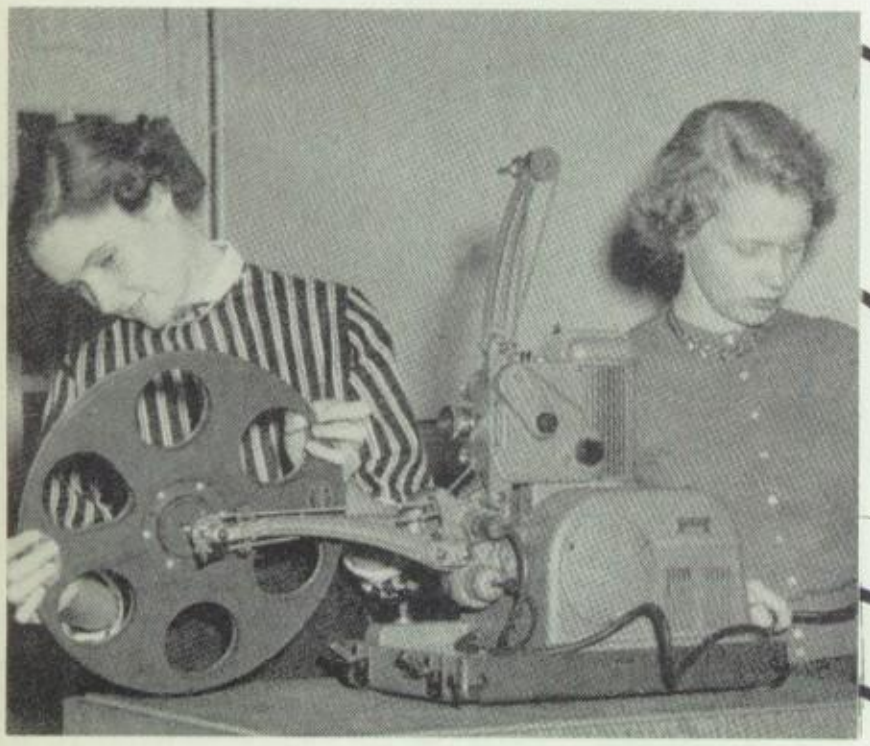
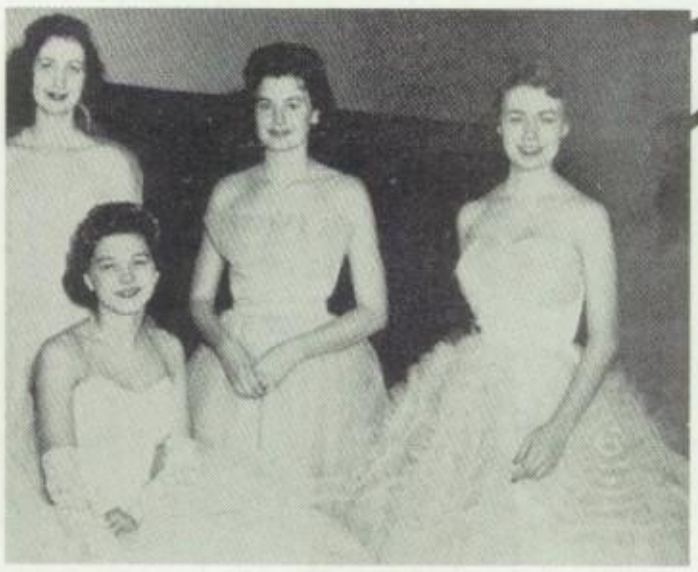
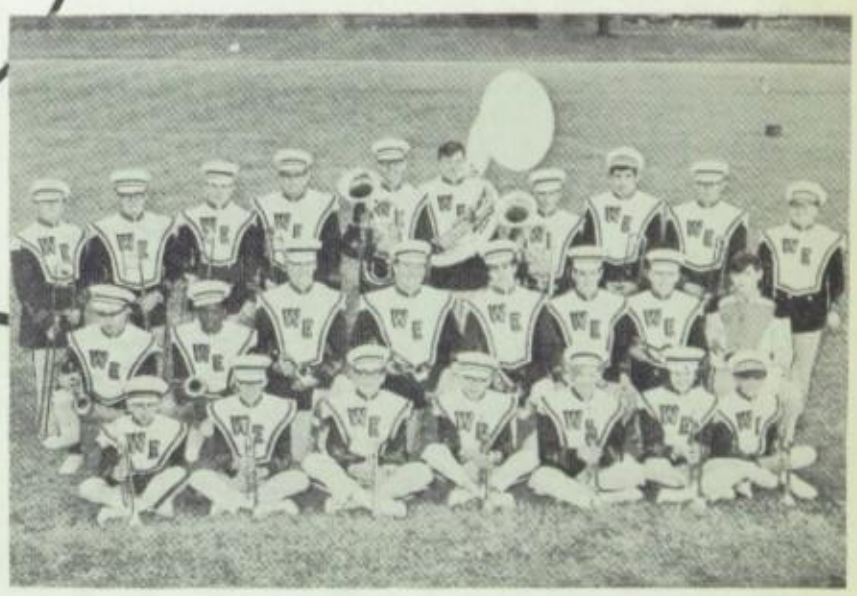
EVERY



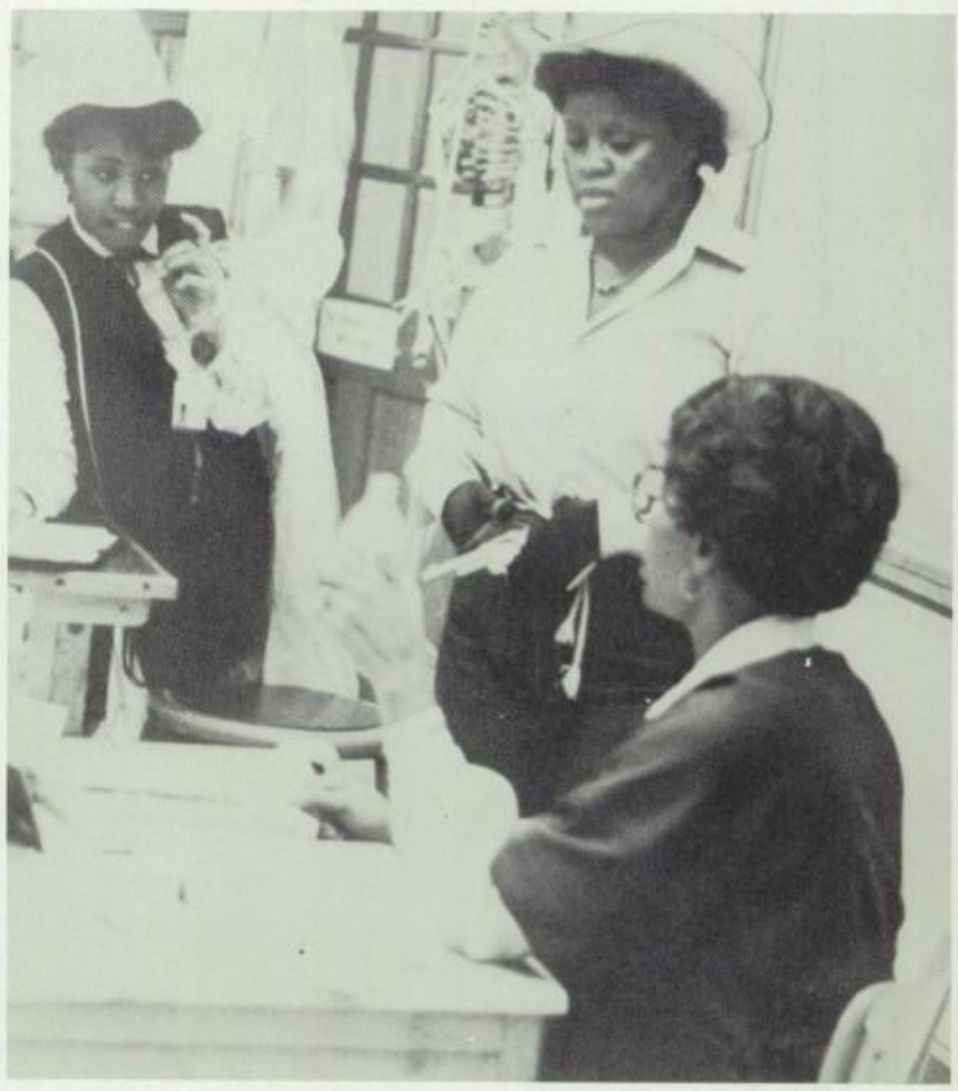




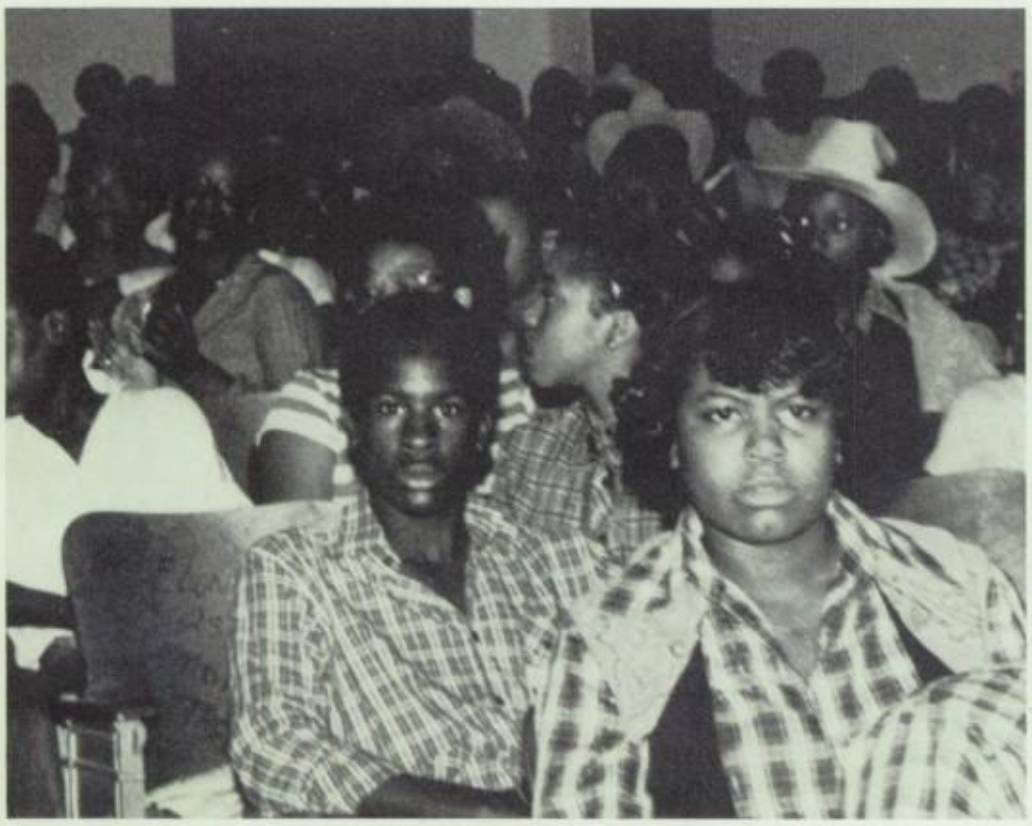
GENERATION

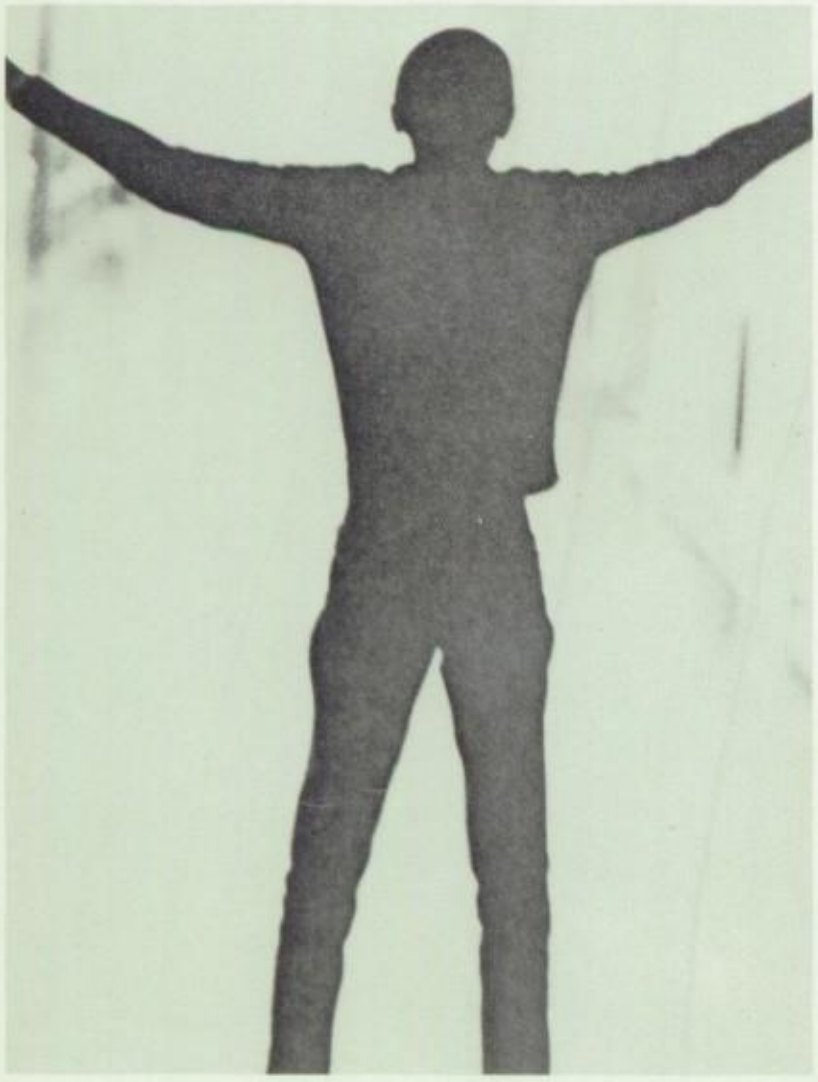


HAVE YOU EVER LOOKED IN THE FACE OF ACE?



WONDER OFF IN SPACE





OF A DIFFERENT PLACE?

EVERY GENERATION OF OUR LIVES

REFLECTS THE THINGS WE DO ALL THE TIME

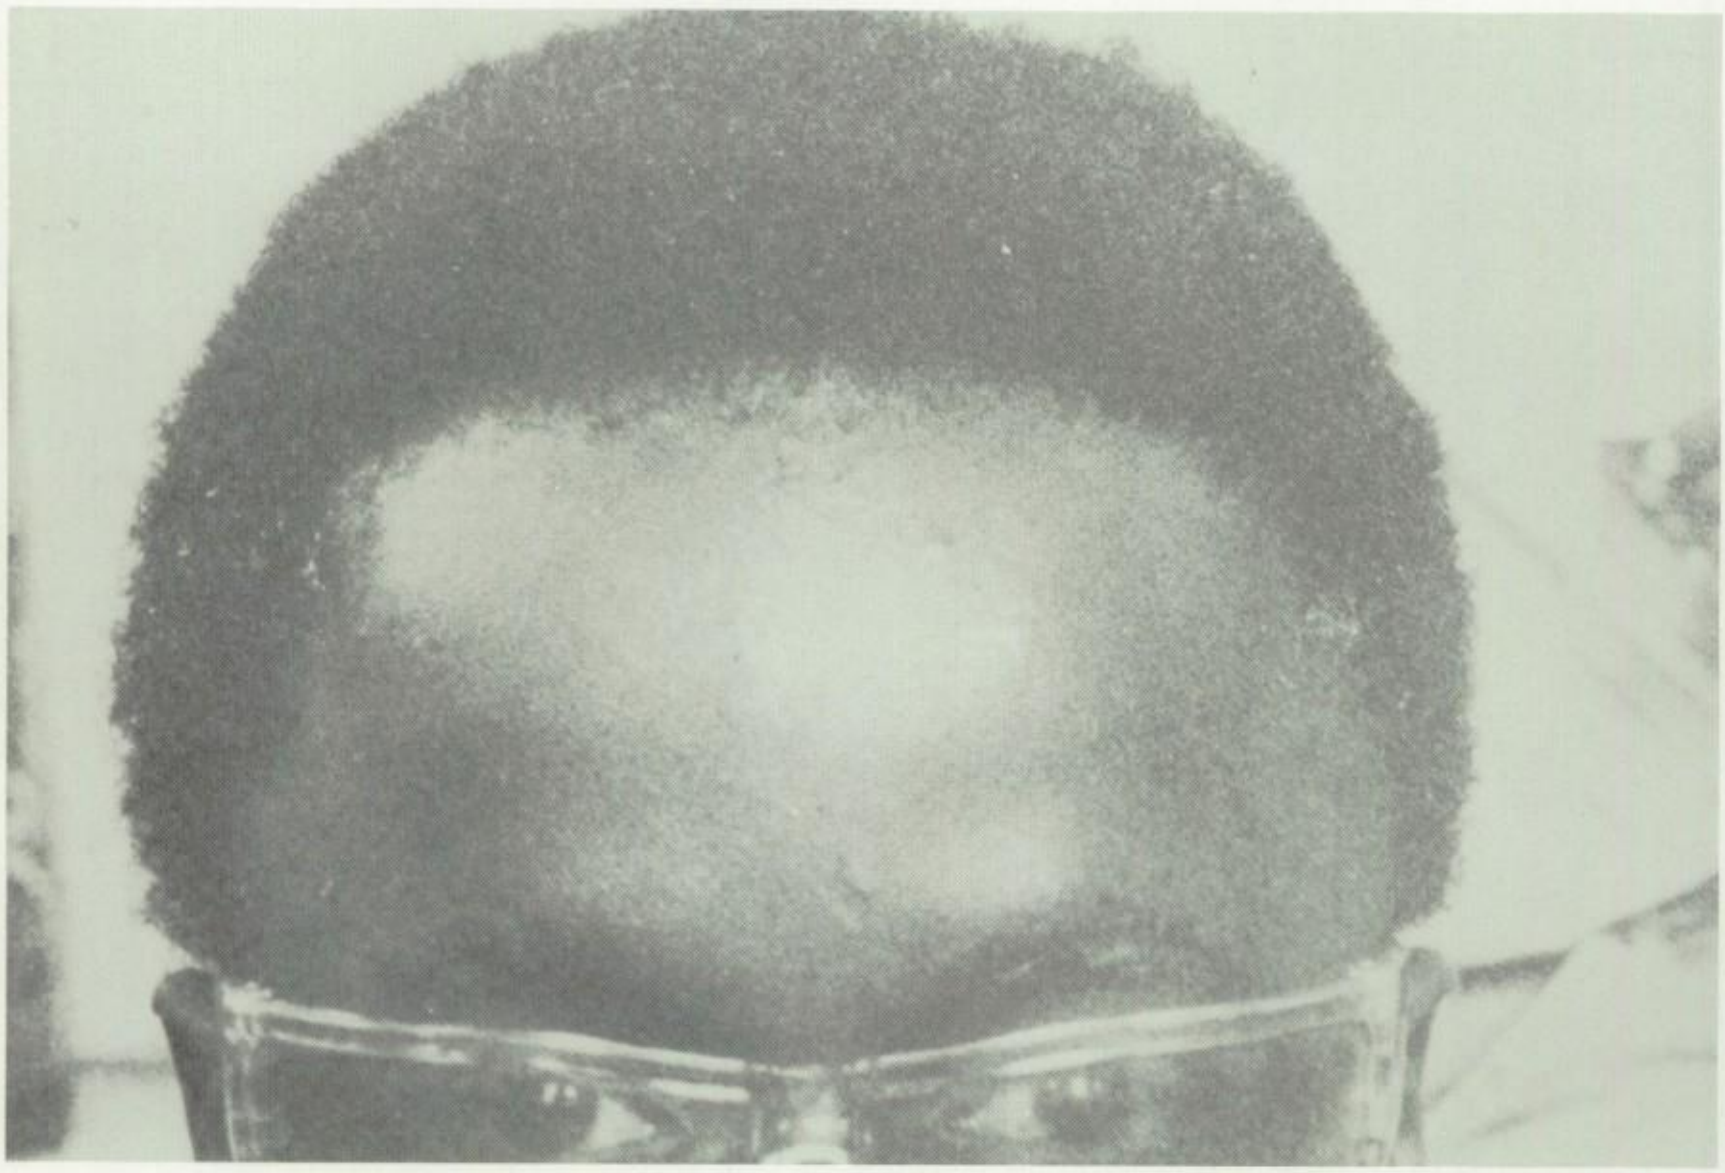
A CHILD IS BORN

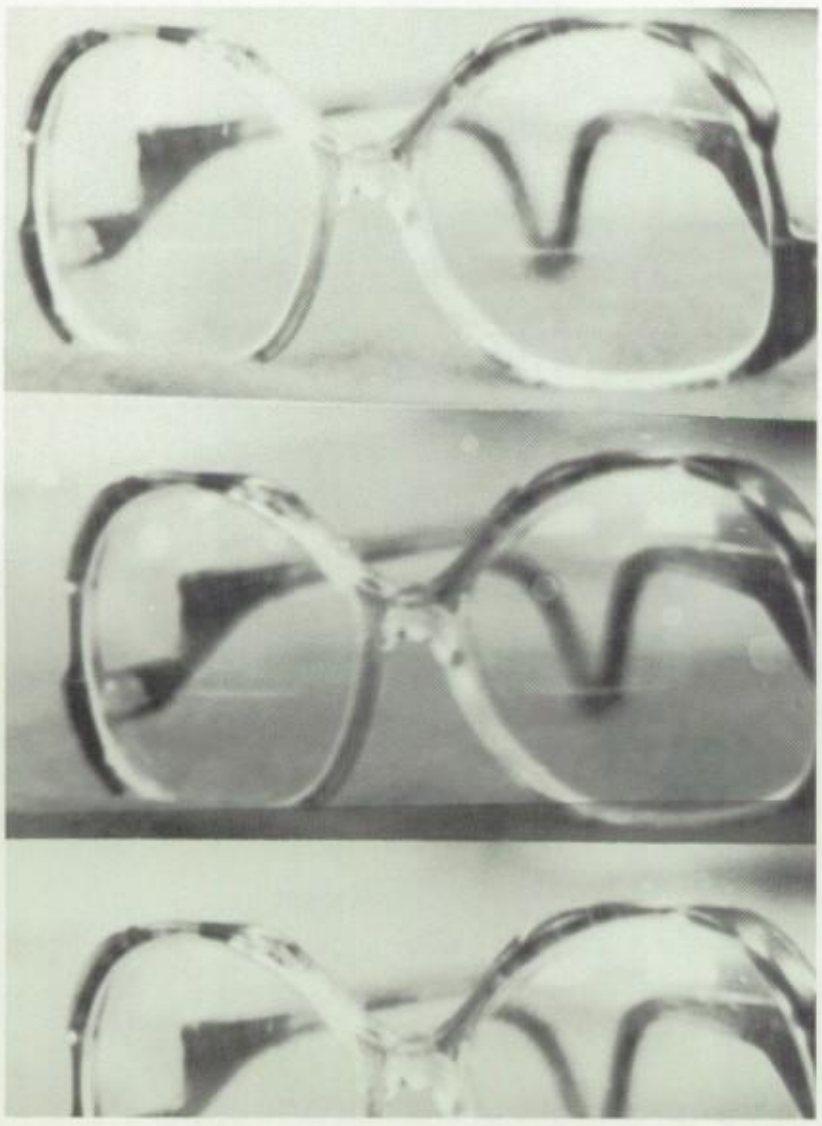
TO LIVE AND GROW WITHIN THE WORLD

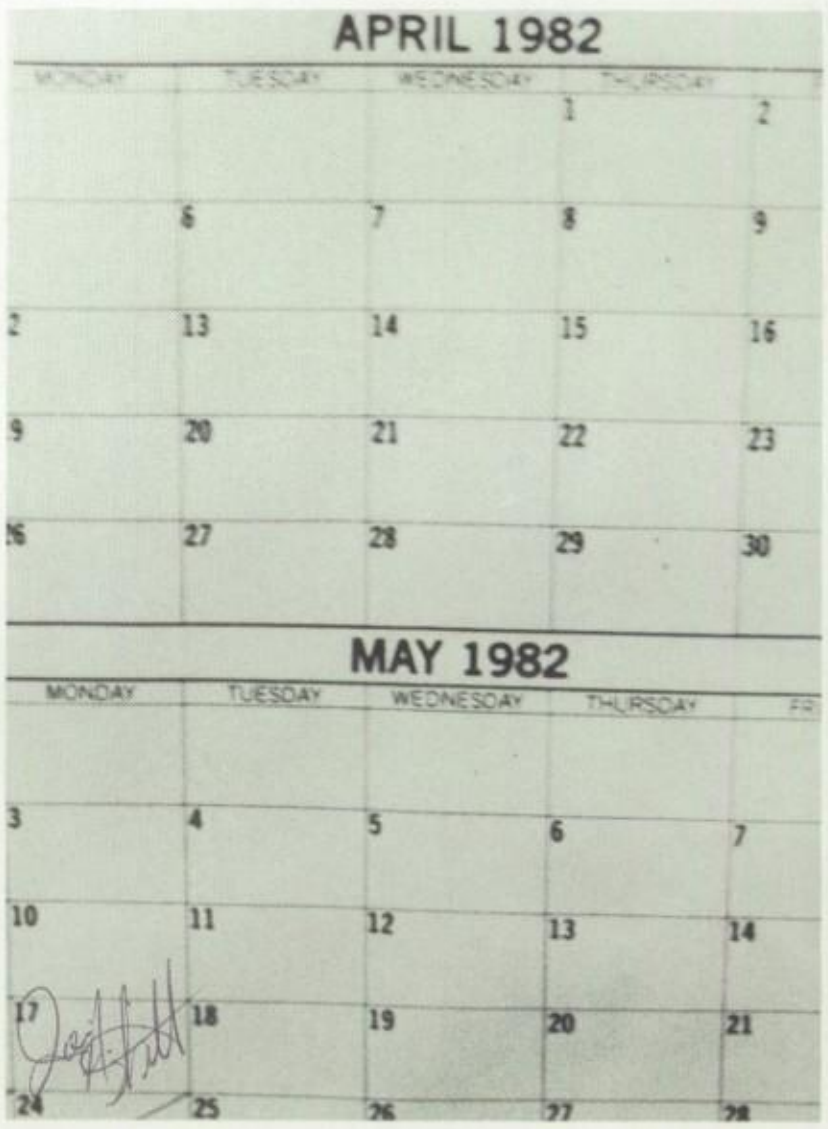
BOY GROWS UP LEAVES HIS HOME

TO BE A MAN

GLASSES OF THE WISE







EVERY DAY OF OUR LIVES

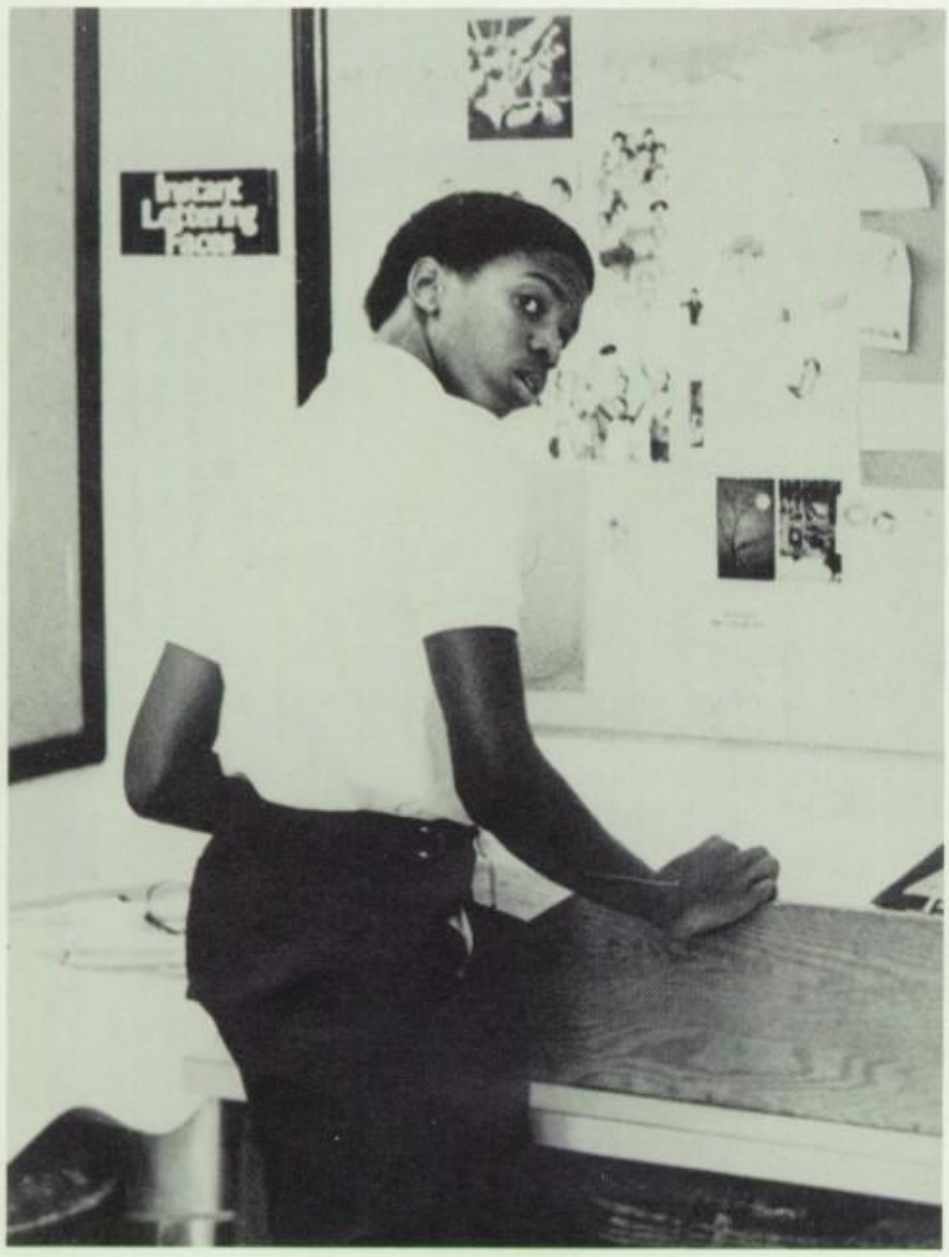
FLOWERS ARE RISEN IN

THE EARLY SPRING

WINTER'S GONE

SUMMER'S BACK AGAIN

TIME WILL MAKE US CHANGE

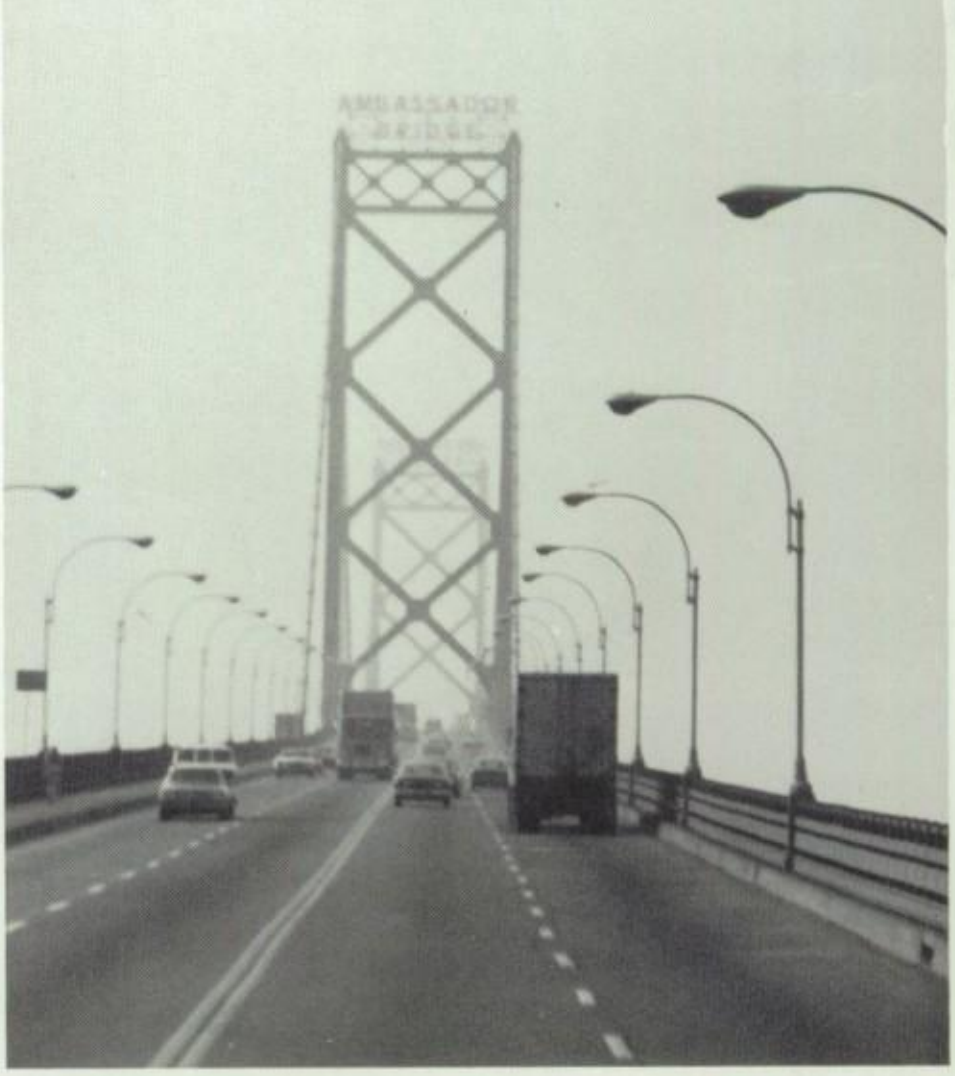


NOTHING STAYS THE SAME

FOOL GET DUMPS PLAYS AROUND AND LOSE HIS FAME

BUT IF HE HAD AN EDUCATION, HOW MUCH FAME WOULD HE CLAIM

REFLECTION OF OUR TIMES



EVERY GENERATION HAS A NEVER ENDING DESTINATION

The 1981-82 Yearbook is dedicated to a versatile member of the West End School Family. He has honored the teaching profession for thirteen years, and has been a tremendous asset to our teaching staff for eleven years. In addition to teaching, he is an outstanding community leader, and a dedicated father and husband. The recipient of the 1981-82 dedication of the West End High School Leonine is none other than Mr. Taylor Greene.

Mr. Greene holds a Bachelor of Science, MA and Double A certificate in American History. He received his education at several universities, among which are Alabama State University, Univ. of Alabama in Birmingham and in Tuscaloosa. He is also a graduate Chapter member of Alpha Phi Alpha fraternity.

Mr. Greene is the sponsor of the Hi-Y Club, a school oriented organization, and the YMCA Football League which is a community sponsored organization. For his service, he received the 1981 Volunteer Award.

Aside from his teaching and leadership abilities, Mr. Greene is happily married, and a dedicated father of three children — Gail, Chris and Teddy.

We, the West End High School Family, are proud to have him as the 1981-82 recipient of the Leonine Dedication.

The Leonine staff dedicates the 1981-1982 edition of the Leonine to a wonderful and very devoted teacher, Ms. Sylvia Murray.

Ms. Murray has been a teacher in the Birmingham School System for twenty years, and eleven of those years have been spent here at West End High School.

A teacher of biology, Ms. Murray attended the University of Indiana and the University of Alabama in Birmingham, but it was at Miles College that she received her Bachelor of Science degree.

She has rendered her services to students not only through teaching, but also by her involvement in various school activities. She is the sponsor of such activities as the majorettes and colorguards — nine years, the Senior Beauties and Debonaires, the Y-Teens, and is currently a co-sponsor of the Senior Class.

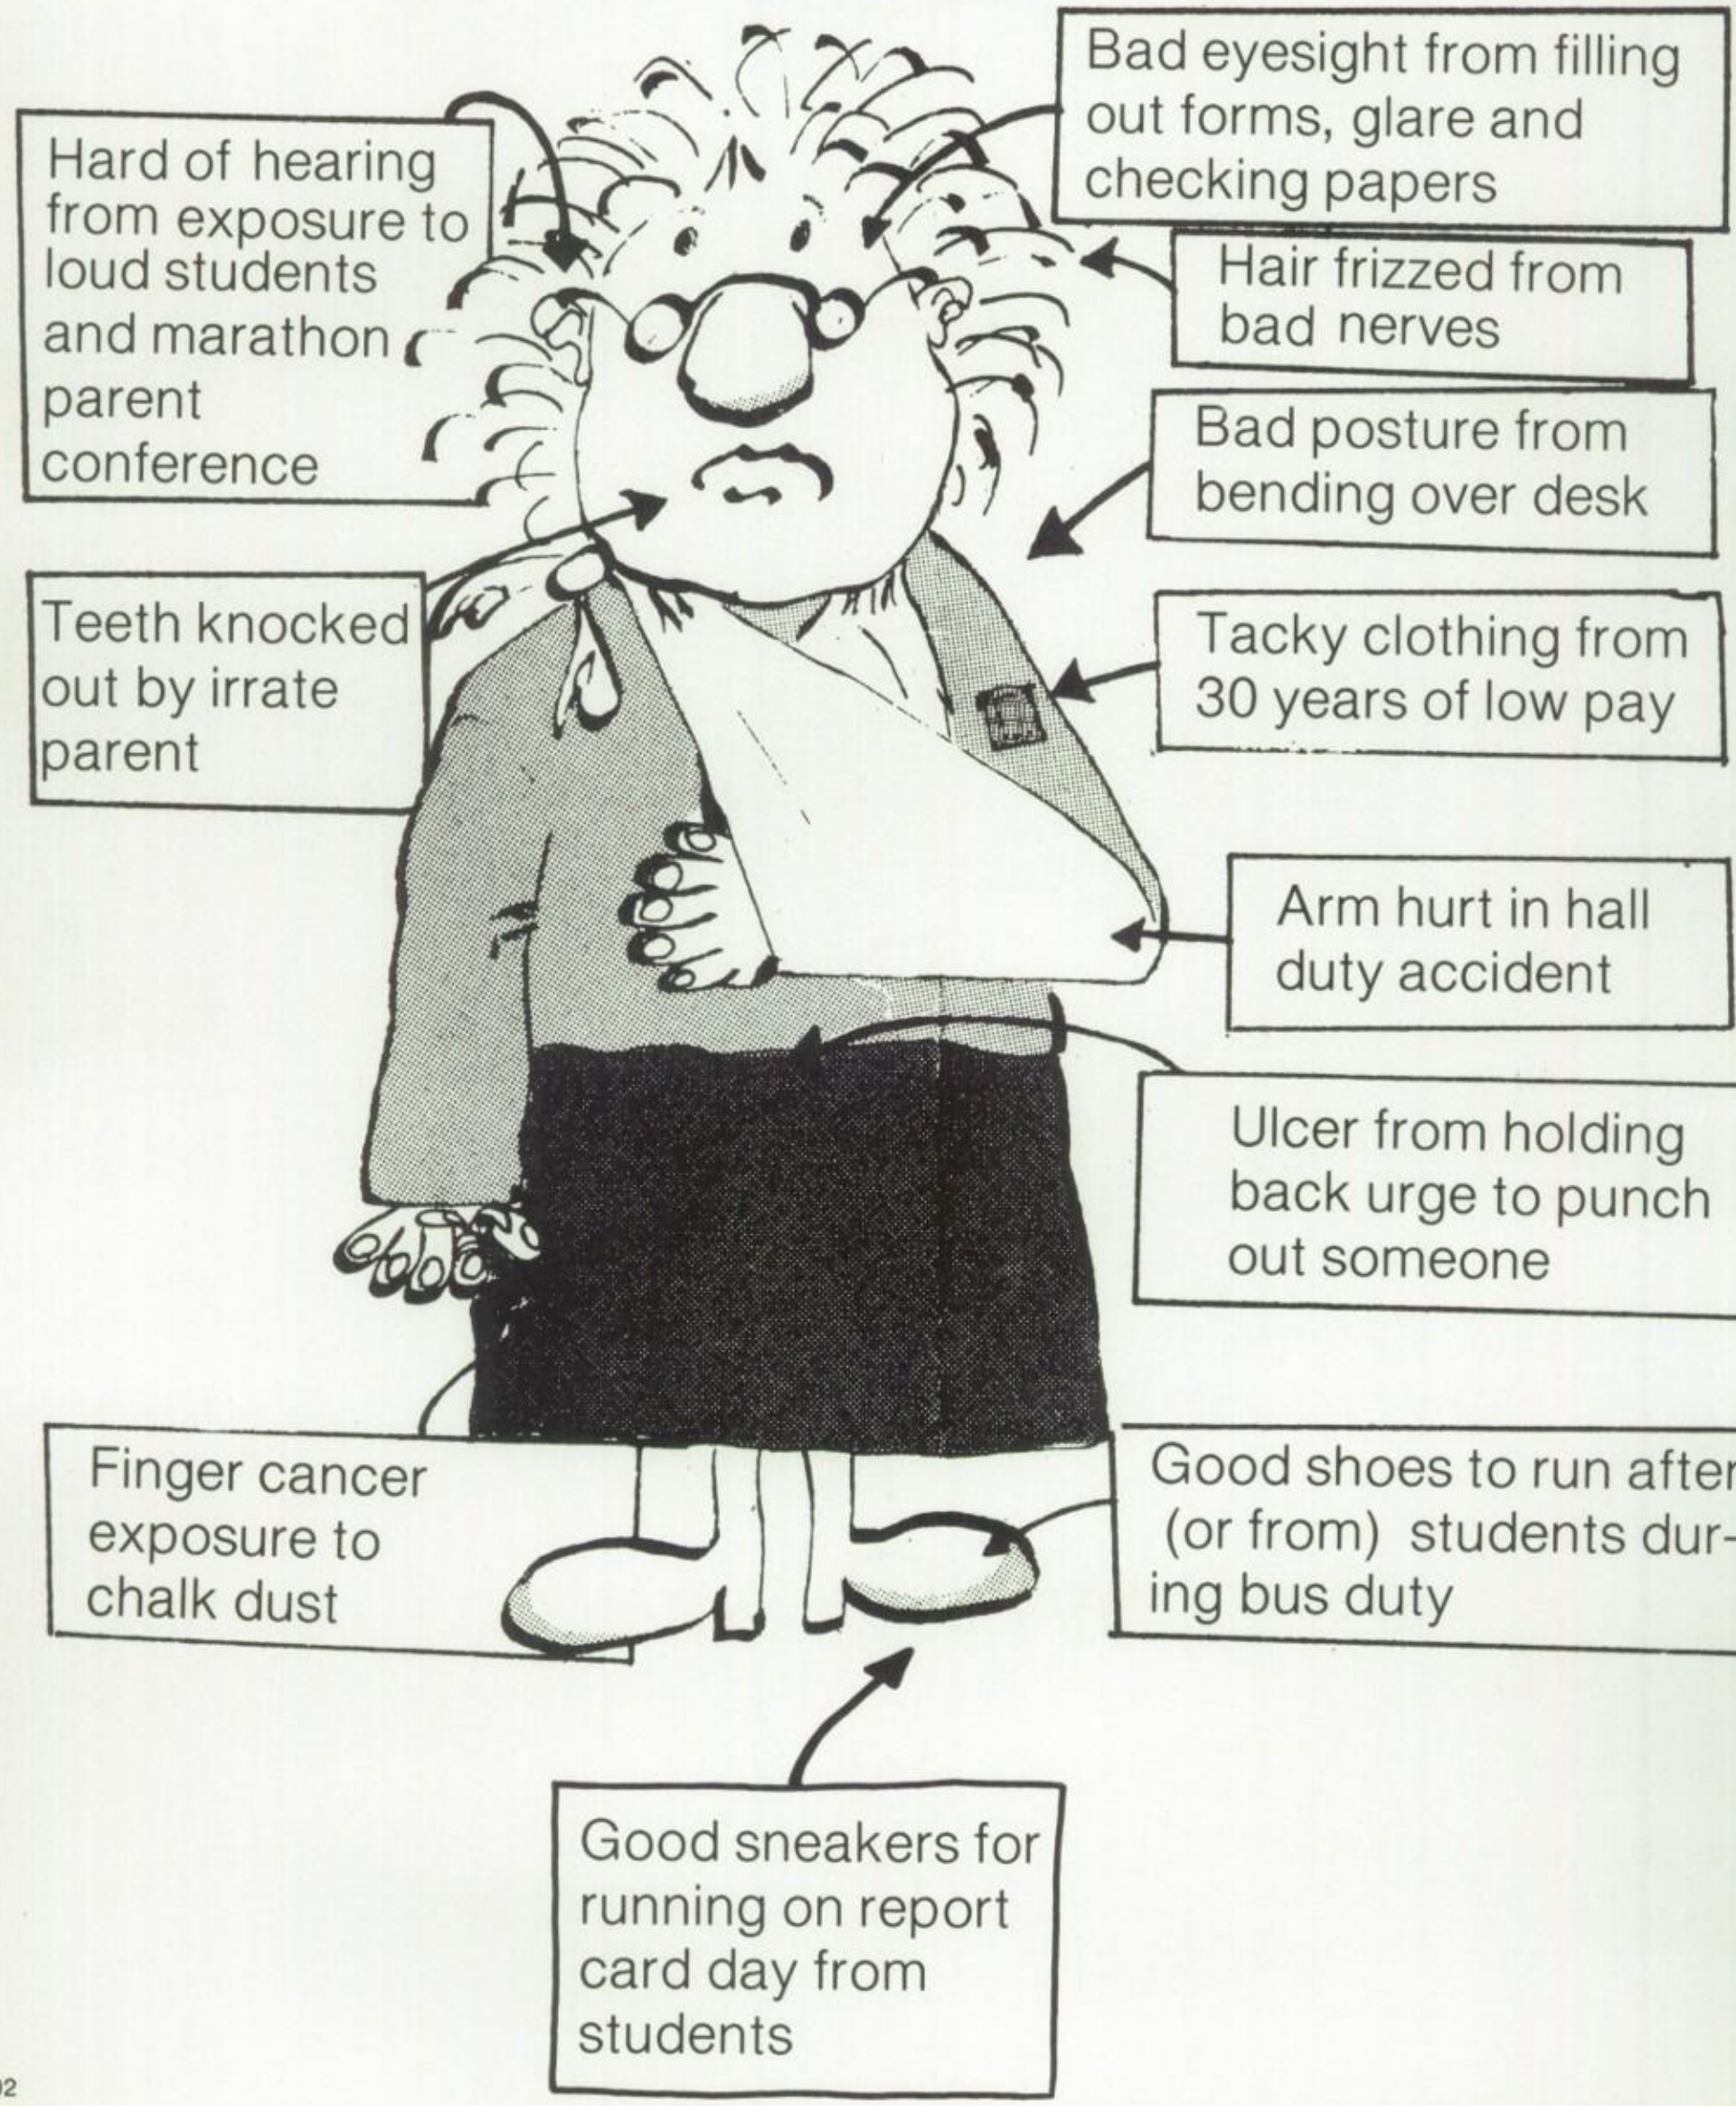
WHY TEACHERS BURN OUT



Bad eyesight from filling out forms, glare and checking papers
Hard of hearing from exposure to loud students and marathon parent conference
Hair frizzed from bad nerves
Bad posture from bending over desk
Teeth knocked out by irrate parent
Tacky clothing from 30 years of low pay
Arm hurt in hall duty accident
Ulcer from holding back urge to punch out someone
Finger cancer exposure to chalk dust
Good shoes to run after (or from) students during bus duty
Good sneakers for running on report card day from students

WEST END FACULTY DIONS

The West End family extends to our departing seniors our most sincere hope that you will find joy and happiness in whatever endeavor you may find yourselves involved. You are joining a very elite group — the graduates of West End High School — and as you are initiated into this group, you are to carry well the over fifty year tradition of those who have preceded you.

To the Juniors, you will be assuming a gigantic role in the fall. It is our hope that you will wear well the cloak of responsibility that you must don as Seniors. You will be setting the course our family will follow as you move into those positions left vacant by the graduates. It is our wish that you will accept this responsibility as a challenge.

HOW CHIC

We proudly salute two members of the West End High School Family, Mrs. Mildred Horn and Miss Kermelia Moorer.

On November 16, 1981, Mrs. Horn, an English instructor here at West End High, was nominated to be inducted into the Jacksonville State University Hall of Fame. This was a special honor recognizing her outstanding teaching abilities. In April she will go on to compete with other instructors on the state level.

Miss Moorer, a sophomore, was selected West End's "Most Outstanding Sophomore Leader" for 1981-82. She is now eligible to attend the Hugh O'Brian State Leadership seminar on "American Incentive System" on March 26-28 in Montgomery, Alabama. This honor acknowledges the leadership potentiality in sophomores.

We congratulate both Mrs. Horn and Miss Moorer and wish them good luck in this endeavor.
